

The Center for Wooden Boats

The Center for Wooden Boats, located in South Lake Union, offers students and teachers a chance to experience the Pacific Northwest through the lens of our diverse maritime history and culture. The various fieldtrips incorporate math, science and history by providing hands-on learning opportunities. In visiting the center, students will come to appreciate and draw links between our region's natural resources, culture and port economics.

To provide a gathering place where maritime history comes alive through direct experience and our small craft heritage is enjoyed, preserved, and passed along to future generations

How to Schedule a Field Trip

1. Choose a program or two that sounds exciting to you!
2. List the general age range, number of participants and chaperones.
3. Choose a few dates that would work for you.
4. Trips are scheduled year-round. They are two hours in length, run Tuesday through Friday, and are scheduled 10am - noon or 1pm – 3pm.
5. E-mail fieldtrips@cwbb.org or call (206) 382-2628 (Tuesday-Friday) and ask for field trips.

With that info and a few conversations you will be in the calendar!
